In addition to completing this form, you must register with the Gatekeeper in the normal way: postal mail or at the gate. See the NOWM web site for more information. **Your \$5 merchant fee is also paid through the Gatekeepers.**

Completing and submitting the form

You need only fill in the information you deem necessary. For example, it is not required that you provide an alternate contact. We do require a contact email and phone number, and request a cell phone for onsite contact if necessary.

Typically only your email address or primary phone number is needed for web or site flyer publication purposes. The site flyer may or may not include a merchant list, and in any case will be more restricted in what it can publish.

Note that most fields can contain more characters than appear on screen. If you're submitting the form electronically, no problem. If you're using postal mail, you can put "overflow" information in the the Comments field, or attach an extra sheet.

When you have completed this form, you can save it on your computer. You can then email it to the merchant coordinator (note the button at the top right of the form) or by attaching the saved file.

You may also print out the file (only the first page is necessary, obviously) and postal mail it to the merchant coordinator at the address above **or** you can include it with your mailed-in registration, sent to the Gatekeeper.

The earlier you send in the form, the earlier we can get your name visible on our web site! But we can't guarantee space after June 1, 2013.
